The fuse box for the master bedroom,bathroom, dining room and kitchen is located behind the tree picture in master bedroom. The fuse box for the front bedrooms, loft and living room is upstairs, just inside the bulkhead door on the right side. Also there's a fire extinguisher in the kitchen and First Aid kit under bathroom sink.

The beach pass (must be on dash if driving down) and key to boat launch (if needed) are in the drawer next to the dishwasher

Grill must be lit with hand torch in same drawer. Turn on gas tank,turn on front burner, light with torch through hole in front, close lid and turn on other burners.

TV's can be temperamental. Most times it requires pressing cable power and tv power on remote as well as cable guide if you're using that.

Youtube is an available option on the TV's.

WiFi password and house phone # located on the table under the living room TV. Please no calls outside the US

There are games in the loft bureau as well as sheets for the futon.

There's kindling in one of the gray barrels as well as wood in the shed.

If shoes are wet or muddy please take them off

Upon Leaving:

Please take all trash and recycling to bins located at the end of the shed

Please make sure fire pit is extinguished

Please shut off gas valve on grill if used

Please close and tie patio umbrella

Please make sure wood stove is out

Please empty refrigerator of all your stuff (even if it might be usable)

Please don't leave dirty dishes in the dishwasher/sink

Please empty lint screen after use

If applicable, please put all sheets and towels in clothes bin on washing machine

Return keys to lockbox for next tenant

Leave extra key set on counter next to back door

Please sign our guest book by the front door and let us know how you liked your stay
